

EXTERIOR SIDING. SIMPLIFIED.

Get durability and color in an efficient siding solution.

LP® SmartSide® ExpertFinish®, a prefinished color collection within the LP® SmartSide® portfolio of siding solutions, makes it easier than ever to give homeowners the curb appeal and exceptional durability they expect. All while making the install process — and your job — easier.

WELCOME TO THE SIMPLE SIDE

1

BRING ON THE COLOR & CONVENIENCE

Available in 16 prefinished colors, the LP SmartSide ExpertFinish collection features a versatile system of LP SmartSide products that work together beautifully.

2

MAXIMIZE YOUR TIME

LP SmartSide ExpertFinish products arrive factory finished with acrylic latex paint, perform durably on the jobsite, and are easier to cut, transport, and install.

3

LEAVE YOUR WORRIES BEHIND

Made with engineered wood strand technology and LP's proprietary SmartGuard® process, LP SmartSide ExpertFinish products help deliver superior protection against hail, wind, moisture, fungal decay, and more. Plus, they are backed by an industry-leading 5/15/50 year limited warranty.*

**Visit LPCorp.com for warranty details*

For nearly 25 years, LP® SmartSide® products have delivered advanced durability and longer-lasting beauty, earning a reputation as one of the highest-performing and most preferred siding brands on the market.
